Fictional sample authorization

Determination & next steps

Meridian Benefits has approved the prior authorization for Morgan’s Repatha prescription. The submitted clinical information was reviewed and coverage is authorized for 12 months.

Send the prescription to the patient’s preferred pharmacy and include the authorization number. The pharmacy can confirm the copay and arrange dispensing.

Mock payer approval letter. Not valid for clinical or billing use.

Approval does not confirm medication dispensing or the final out-of-pocket cost.
